

What can/should we do about homelessness in Central Oregon?

Join the conversation on **Thursday, July 22** when special Town Halls are held in 6 Central Oregon communities!

What does homelessness look like in your community?

What are the roles of government? non-profits? the faith community? businesses? individuals?

What are the resources in place now?

What else do we need?

We need your ideas!

**Homelessness prevention,
more affordable housing,
better support services,
system improvements**

Help us craft a 10 Year Plan to End Homelessness

A light meal will be provided at the La Pine meeting. For more information about the La Pine Town Hall please visit www.cohomeless.org or contact Bruce Abernethy at abernethy9@aol.com.
