Memorandum

Date: December 18, 2008

To: Citizens of La Pine

From: Deborah McMahon and James Lewis,
City of La Pine Project Consultants

We welcome you to the first of many meetings for the creation of the first La Pine Comprehensive Plan. This land use document will be a guideline for community growth and development over the next 20 years. This is an exciting time in history for the City of La Pine! As the State of Oregon's newest incorporated city, the citizens of La Pine are essential to shaping the future of the community. Tonight, we will introduce the issues and review the tasks for completing the Plan by July 2009. The citizens of La Pine have a wonderful opportunity before them and we look forward to your input. We hope you will continue to participate in the process and encourage others in your community to do the same.

Best Wishes,

Deborah McMahon

James Lewis
