RE: Tipping (disposal) fee increase

On January 1, 2010 Deschutes County will be imposing an increase of garbage disposal fees. from \$45.00 per ton to \$50.00 per ton.

Based upon this increase in cost Wilderness Garbage & Recycling is requesting a pass thru rate from the City, to our customers.

The County is in the process of approving a pass thru cost. This will take effect on January 1, 2010.

I have attached the proposed rates for the services our company provides in the city limits of La Pine

We feel at this time it would be prudent to only ask our customer for the disposal increase, not an increase in cost of service.

Please feel free to duplicate the attachments.

Sincerely,

Corinne Martinez
